

Corporate Catering

We can supply top quality catering to our corporate clients, whether its lunch for 6 people at an important board meeting, 20 guests in a training meeting, or if your treating 1000 of your workforce to a summer party.

For our corporate clients we can offer a credit account (subject to terms) and we include delivery within a 10 mile radius of our base in Newark-on-Trent. Outside of this area, a delivery charge is applicable.

What's Included

Our menu price includes our high quality covered platters, napkins and palm leaf biodegradable plates and cutlery if required. We can supply service staff if required at £15.00 per hour. There is a minimum working time of 4 hours for this service. There is a minimum spend of £50.00 per order. All quoted prices are Ex Vat.

Breakfast

The most important meal of the day!

From serving simple cereals and pastries to a Full English Breakfast we have a great range of menu offerings to suit everything from informal parties to smart, corporate meetings.

We can deliver a range of fabulous cold breakfast items such as Danish Pastries and fruit pots, before your guests arrive, leaving a stunning show piece to get the taste buds ready. Or we can set our chefs up on-site, and create a mouthwatering, irresistible hot breakfast.

Our hot breakfast menus include the costs for our chefs to attend. In some circumstances we will require a site survey before the event, to look at kitchen facilities. If you don't have any areas suitable to use as a kitchen, we have fully portable location kitchens we can bring with us!

In addition to our menus listed here, we are also happy to create bespoke event menus for you. Our popular BBQ lunch menus are great for those summer team building events, and we can offer fantastic Christmas Party hospitality.

About Us

Back in 2011, Martyn the Director decided he could offer great hospitality services direct to local customers, providing both quality and affordability. After selling his car and creating a small website, the basics for the company were up and running.

We quickly started getting phone calls for Buffet Lunch Deliveries and the company grew to what it is today. We now delivery daily Lunch Buffets to a number of large local corporate customers often offering our refreshments to their overseas directors.

We work closely with a local music events management company entertaining their VIP guests backstage during the festival season. Suggs, from the Brit Award winning Madness, quoted our food as "delicious! Thanks..."

We have recently been awarded the prestigious task of managing the hospitality services at the Retford Town Hall, and the Worksop Town Hall, along with the hospitality services of the Fernwood Village Hall, Newark-on-Trent and Balderton Village Centre, Newark-on-Trent.

Our services now cover the whole of the hospitality industry from supplying stunning marquees to fully stocked bars. Not only in prestigious venues, but also the middle of muddy fields, event management, intimate dinner parties, BBQ's at weddings, and catering for 1000+.

Our team loves a challenge and strive to make everything perfect.

If you would like to discuss our full catering services, get in touch and we will be glad to assist.
